

# PP-R Pipe Quality Control

## RESIN INSPECTION

- Packing Condition
- Resin Shape
- Resin Coloration
- Melt Flow Index
- Dry weight loss

REJECT

Return to Supplier

## PRODUCTION INSPECTION

- Dimensional Analyses
- External & internal surface
- Pipe coloration
- Cut
- Marking

REJECT

Recycle

## LABORATORY TEST

- Heat reversion test
- Impact test
- Melt Flow Index
- Hydrostatic pressure strength
- Oxidation Indication
